

# Smarter Service. Stronger Dealerships.

AI-Powered Service Delivery

[Get Demo](#)A screenshot of the OPERVIA software interface. At the top, there's a dark blue header bar with the "OPERVIA" logo on the left, a "Dashboard" title in the center, and a user icon on the right. Below the header is a sidebar menu on the left containing links like "Dashboard", "Organization", "Request Management", "Calendar", "AI Tools", and "Service Requests". The main content area is titled "Dashboard" and displays a welcome message: "Welcome back, Mark! Managing Atlantic Tractor." The background of the entire page features a dark, abstract design with glowing green and blue lines and dots, resembling a circuit board or neural network.

## EVERYTHING YOUR DEALERSHIP SERVICE DEPARTMENT NEEDS - IN ONE PLATFORM.

**OPERVIA** is an all-in-one software platform built for equipment dealerships to streamline service quoting, team collaboration, customer engagement, and remarketing. By centralizing operations into one easy-to-use system and leveraging the power and automation of AI, it helps dealerships save time, reduce costs, and strengthen customer relationships.

# Service Departments are stretched thin. Opervia brings it all together.

Dealerships juggle quotes, work orders, customer calls, and marketing campaigns — often across disconnected systems. Opervia centralizes everything in one place, saving your team time while delivering a better customer experience.

## Key Features:

**AI-Powered Repair Quoter** – Accurate job times and estimated pricing.

**Collaboration Hub** – Real-time team communication around work orders.

**Customer Portal** – Self-service access for quotes, service history, and requests.

**Remarketing Engine** – Target past customers with relevant offers.

**Role-Based Access** – Profiles, permissions, and admin oversight across locations.

**Data Control** – Show estimated prices without giving away margins.

## Basic

**FREE**
